Bluetooth USB Adapter

**Bluetooth Adapter for Data Transmission
Adaptateur pour le transfert de données
par le réseau domestique**

00086515

Overview:

1. Software Installation
2. Contact und Support Information

Package contents

- Bluetooth USB stick
- Installation/driver CD
- Installation instructions
- Instructions on environmental protection

Safety instructions

- This device is designed for indoor use only and is not suitable for outdoor use
- Never open the housing of the device
- Keep the unit away from sources of heat
- Do not operate the device in damp or dusty environments.

1. Software Installation

Insert driver CD into the CD-ROM drive of your PC.

The AutoRun menu starts automatically. Select the required language.

Choose **"Install drivers"** to begin installation.

Click **"Next"** to continue the installation.

Accept the license agreement and click **"Next"** to continue.

Choose whether you want to create a shortcut in your Startup folder or on your desktop. After making your selection, continue with **"Next"**.

Choose the target folder for the installation and continue with **“Next”**.

To complete the installation, click **“Finish”**.

We recommend that you restart your PC to be able to use all functions of the software.

2. Support and contact information

If products are defective:

Please contact your dealer or Hama Product Consulting if you have any product claims.

Internet / World Wide Web:

Product support, new drivers or product information can be found at www.hama.com
